

ADDITIONAL AWARDS & SPONSORSHIPS

The Washington State Department of Agriculture allocates a portion of state funds to various fairs throughout the state of Washington. The portion of allocation each fair receives is based on statistics submitted annually to the Washington State Department of Agriculture. The statistics include the number of exhibitors, number of exhibits, number of ribbons given, the number and type of awards and prizes won, etc. This information is critical in deciding how much we receive in our annual Dept. of agriculture grant which is distributed in premiums, awards, ribbons, and trophies to our exhibitors.

We need your help in making sure we give the correct numbers for our fair. If you have any awards, prizes, ribbons, etc. which you distribute during fair that were not furnished by the Southwest Washington Fair, please let the fair office know about them and their dollar value. The fair office would appreciate a copy of your receipt(s) by September 1, 2017. We would be happy to make the copies at the fair office.

Thank you for your continued help supporting the Southwest Washington Fair!

Department/Division _____

Item	Value	Comment
<i>Example: Sponsorship for T-shirts, Belt Buckles, Bridles, Turnout Blankets, and Ribbons</i>	1,200.00	
<i>Example: T-shirt Giveaway</i>	225.00
