GUIDELINES FOR COMMERCIAL SPACE RENTAL DURING FAIR WEEK

All commercial renters agree to abide by these guidelines in addition to the vendor contract

INTRODUCTION

These rules apply to commercial and concession vendors, sponsors, associations, corporations, and all other individuals while on the fairgrounds.

Exhibitors, commercial and concession vendors and sponsors agree to obey all laws and regulations of the United States, State of Washington, Lewis County and other governmental agencies or entities.

It is your responsibility to know the rules and regulations contained in this policy booklet. It is important that everyone working in your booth be aware of these rules. The management of the Southwest Washington Fair reserves the right to amend, add to and interpret the following rules and regulations to decide all questions and differences with respect to incidents connected to, arising out of, or relating to the Fair.

SOLICITATIONS It is the policy of the Southwest Washington Fair that:

All solicitations for sales, charitable contributions, or other purposes must be made from within the confines of an assigned booth that has been leased from the Southwest Washington Fair.

No one shall be distributing advertising matters, handbills, fliers, tokens, food samples or other materials on the fairgrounds, except from within an assigned booth or display.

The tacking or posting of any advertisement, flyer, handbill, poster, banner, or any other printed matter, other than in assigned booth space, is strictly prohibited unless approved by Fair Management.

No one shall solicit or distribute materials or samples in aisles or while roving the fairgrounds. No hawking of merchandise or products is allowed. Anyone violating these rules is subject to removal from the fairgrounds.

VENDOR AGREEMENTS

Every individual or company doing business on the Fairgrounds during the Southwest Washington Fair must have a signed contract regarding that activity. Vendors are prohibited from assigning, subletting or apportioning the whole or part of the space assigned to them. The vendor shall display and sell only those items listed and approved on the countersigned vendor contract.

If any vendor substitutes or adds any food items, prizes, giveaways, products, or services that have not been approved by the Fair Management and/or deletes any such items approved by the Fair Management, it is a material breach of the vendor contract, and the Management may terminate the vendor agreement immediately upon notice to the vendor of the violation.

Included in the vendor fees for the Fair are: 12 one day admission tickets, one season parking pass for the parking lot designated on the permit.

All additional personnel working in the booth must purchase a ticket at the price of \$5.00/day up to a limited amount (see Vendor Contract) and at \$10.00/day thereafter.
