SALES SPONSORS AND PURPOSE

The sale is sponsored by five organizations or agencies including:

1. Centralia-Chehalis Chamber of Commerce
2. The Lewis County Association of Agriculture Educators.
3. Washington State University Lewis County Extension.
4. Southwest Washington Fair

The purpose of the Southwest Washington Junior Livestock Sale is to provide an incentive for youth to exhibit and sell quality market stock which has reached marketable weight and grade. The exhibitor and the bidder and/or buyers are reminded that the price paid to the exhibitor may not, in fact, reflect a true market price at the time of the sale. It is the sponsor's desire that the buyers of animals featured in this sale will bid sufficiently to cover the individual exhibitors' additional expenses incurred in feeding and management of market animals. Animals sold at auction are suitable for slaughter at the time of the sale.

RULES AND REGULATIONS

ELIGIBILITY:

1. 4-H members must be enrolled as a 4-H member in a Market Animal project by April 1st to be eligible to participate. FFA members must be a member of an FFA Chapter and actively carrying the Market Animal project as their SAE farming project.
2. A "Memorandum of Understanding" must be **COMPLETED AND TURNED IN TO THE COMMITTEE WITH SPECIES INTENT TO SELL, EACH YEAR OF PARTICIPATION. NO EXCEPTIONS**
3. Use of illegal drugs and /or the improper use of animal health products or foreign substances will not be tolerated in the Washington State 4-H Youth Development/FFA programs. Extension personnel, FFA advisors, FFA/4-H volunteers, families, youth, and fair/show officials have a legal and moral obligation not to misuse these products. We have the responsibility to tell others not to use these substances and to report those who do. The administration of any drug or medication which could affect an animal's performance resulting in an unfair advantage or the disposition of the animal is unacceptable. Additionally, there

are federal penalties for using illegal substances in animals that are going into the nation's food supply. Sale management reserves the right to test any market animal that will be processed. If a test is positive for illegal substance at any time, the matter is turned over to the appropriate legal authorities as it is a federal offense.

4. Should any animal behave in a manner that may cause injury to participant or handler, the animal will be disqualified from the sale, caged in a holding area and removed from the fairgrounds in such a manner that possible injury to bystanders and/or handler will be minimal. This also includes pre-fair activities.
5. Exhibitor may weigh two (2) animals or pens (pens-consisting of 3 animals each for rabbits and 4 animals for fryers) if needed. If the first pre-tagged animal/pen does not make weight, then they may weigh a second pre-tagged animal/pen. If the first makes weight, there will not be a second weighing.
