A QUICK GUIDE FOR FIRST TIME EXHIBITORS

Q: *Who can enter exhibits?*

A: Anyone may enter exhibits in the fair. Check each department listing for details specific for that department. Some departments are limited due to space and staffing.

Q: *What does it cost to enter?*

A: Entry fees vary by department; see complete listing of **ENTRY FEES** listed in this document. Check each department listing for entry times. Fees are paid at the time of online entry using the Southwest Washington Fair online registration system (<http://southwestwashingtonfair.org/exhibits/entries/open-class-entries/>).

Q: *Can I enter exhibits in more than one department?*

A: An individual item can only be entered in one department and most departments limit the number of entries from any one individual. Individuals are not, however, limited to the number of departments in which they may submit entries.

Q: *How far in advance must I enter an exhibit?*

A: Deadlines vary for individual departments. Although livestock deadlines are throughout the summer, most non-livestock exhibit deadlines are one to seven days before the start of the fair. Refer to individual department listings.

Q: *What types of prizes/awards can I win?*

A: The types of awards/prizes vary by department. Although some departments give nominal cash premiums and trophies, all departments award ribbons.

Q: *How are the exhibits judged?*

A: Exhibits are judged on their appearance, quality, color, and all other attributes normally associated with this type of exhibit. The judging is done by experienced judges, who are specialized in that particular field.

Q: *Whom do I call if I have questions?*

A: Most department listings include the name and telephone number of the Superintendent involved in that department. They would be happy to answer your questions. If you are unable to reach them, call the Southwest Washington Fair Office at 360-740-1495.

Q: *What do I do when I bring my exhibit to the fairgrounds?*

A: All exhibits should be taken to the appropriate building; at that point you will receive help from the "Department Superintendent". All buildings will be visibly marked. Prior to entry day, complete your entries using the Southwest Washington Fair online registration system (<http://southwestwashingtonfair.org/exhibits/entries/>). Please bring a copy of your confirmation e-mail with you on entry day.

Q: *I would like to volunteer at the fair, who do I contact?*

A: It takes hundreds of volunteers to put on a fair every year. Whether you have a specific area of interest or just want to help out any way that you can, call the Southwest Washington Fair Office at 360-740-1495. We will be delighted to match you with one of the areas for which we need help.

GENERAL RULES

The Southwest Washington Fair is the official Fair of Lewis County. It is the objective of the Fair to provide quality educational exhibits, competition, and a diversified program. The Southwest Washington Fair encourages participation of competitive exhibits; however, when limitations of space, facilities, and time occur, priorities will be set according to: 1. Area residency, 2. Previous participation, 3. Quality and diversity of exhibit. The management reserves the final and absolute right to alter, interpret, or change the rules and regulations as may become necessary; also to determine all matters, questions, and differences that may arise in or out of an incident at the Fair without notification to the public. Management also reserves the right to remove any exhibitor not complying with Fair rules and policy. Exhibitors must follow direction from their superintendent and Fair management.

NOTE: If you need special assistance with entering your projects please call the Fair Office at 360-740-1495.

Absolutely no intoxicating liquors or the consumption thereof will be permitted on the fairgrounds outside of the beer garden. Further, any exhibitor held in violation of Fair rules or failing to follow the instructions of Fair Management will forfeit entry fees, premiums, awards, and/or be expelled from the fairgrounds and prohibited from entering in future years.

NOTE: If you need special assistance with entering at the Fair or have questions regarding our facility, please call the Fair Office at 360-740-1495. We are working to comply with the ADA Legislative Requirements.

CAMPING

Southwest Washington Fair has three campgrounds available for camping: **Bridle Acres**, located at the west side of the fairgrounds along the railroad tracks, **Fair Meadows**, located at the north end of the fairgrounds behind the Horse Arena, and **Oak Grove**, which is at the south end of the fairgrounds. These are the only three locations where overnight camping is allowed. Reservations can be made by using the online booking system **Rover Pass** at <https://southwestwashingtonfair.org/general-info/camping/> or can be completed over the phone with the office 360-740-1495. Payment in full is required at time of reservation and is subject to the camping regulations listed on the website.

LIVESTOCK EXHIBITORS

Show rules and operations are established by each department. Fair management reminds animal exhibitors good showmanship includes public education, cooperation, and herdsmanship. The Fair's minimum health requirements are the same as the recommended minimum health requirements by the State Veterinarian. The Fair Veterinarian will have the final say on the animal's health, ability to be shown, and fairgrounds livestock health requirements.

- A. Identification of animals, breeds, farm, etc. is good for all.
- B. Cooperation with other exhibitors, superintendent, and Fair Management is required.
- C. Good herdsmanship creates a pleasant, safe area to view. Public hours are 10 AM to 9 PM Tuesday through Saturday and 10 AM to 7 PM Sunday.
- D. Honesty and fairness are a part of showmanship. Misrepresentation of ownership, animals, or other acts to discredit or give an advantage may result in forfeiture of entry fees, prizes, premiums and/or expulsion from the Southwest Washington Fair.
- E. Because of crowded conditions and public viewing of animals, only animals being shown are allowed on the fairgrounds.
- F. The use of alcohol on the Fairgrounds is prohibited outside of the Beer Garden. Its use may result in forfeiture of all premiums and future exhibitor status.
- G. No dogs allowed in the barns.
- H. Entry deadlines will be strictly adhered to. No late entries will be accepted.
- I. No selling of animals allowed during the Fair unless prior arrangements have been made, i.e. commercial space. **NO "FOR SALE"** signs allowed on pens, stalls, or coops, etc.
- J. Stalls, barns and rings should be cleaned to the best of an exhibitor's ability prior to leaving the fairgrounds.

PREMIUMS

The Southwest Washington Fair utilizes a premium point system for open class, 4-H, and FFA. The number listed after the placings are the points awarded to that ribbon. The total premium points are divided into the premium dollars available

to determine the pay-out per point. Over the past 10 years, pay-out has been between \$0.09 and \$0.24 per point. Some departments are paid in straight dollar value instead of premium points. Premium checks will not be issued for premium winnings that are \$2.00 and under. Uncashed premium checks will be considered a donation to the Fair as of December 20th of the year awarded.

EXHIBITOR NUMBER

Exhibitor numbers will be assigned by the Southwest Washington Fair online entry system.

SALES SPONSORS AND PURPOSE

The sale is sponsored by the following organizations or agencies:

1. Centralia-Chehalis Chamber of Commerce
2. The Lewis County Association of Agriculture Educators.
3. Washington State University Lewis County Extension.
4. Southwest Washington Fair

The purpose of the Southwest Washington Junior Livestock Sale is to provide an incentive for youth to exhibit and sell quality market stock which has reached marketable weight and grade. The exhibitor and the bidder and/or buyers are reminded that the price paid to the exhibitor may not, in fact, reflect a true market price at the time of the sale. It is the sponsor's desire that the buyers of animals featured in this sale will bid sufficiently to cover the individual exhibitors' additional expenses incurred in feeding and management of market animals. Animals sold at auction are suitable for slaughter at the time of the sale.

RULES AND REGULATIONS

ELIGIBILITY:

1. 4-H members must be enrolled as a 4-H member in a Market Animal project by April 1st to be eligible to participate. FFA members must be a member of an FFA Chapter and actively carrying the Market Animal project as their SAE farming project.
2. A "Memorandum of Understanding" must be **COMPLETED AND TURNED IN TO THE COMMITTEE WITH SPECIES INTENT TO SELL, EACH YEAR OF PARTICIPATION. NO EXCEPTIONS**
3. Use of illegal drugs and/or the improper use of animal health products or foreign substances will not be tolerated in the Washington State 4-H Youth Development/FFA programs. Extension personnel, FFA advisors, FFA/4-H volunteers, families, youth, and fair/show officials have a legal and moral obligation not to misuse these products. We have the responsibility to tell others not to use these substances and to report those who do. The administration of any drug or medication which could affect an animal's performance resulting in an unfair advantage or the disposition of the animal is unacceptable. Additionally, there are federal penalties for using illegal substances in animals that are going into the nation's food supply. Sale management reserves the right to test any market animal that will be processed. If a test is positive for illegal substance at any time, the matter is turned over to the appropriate legal authorities as it is a federal offense.
4. Should any animal behave in a manner that may cause injury to participant or handler, the animal will be disqualified from the sale, caged in a holding area and removed from the fairgrounds in such a manner that possible injury to bystanders and/or handler will be minimal. This also includes pre-fair activities.
5. Exhibitor may weigh two (2) animals or pens (pens- consisting of 3 animals each for rabbits and 4 animals for fryers) if needed.
