2025 SOUTHWEST WASHINGTON FAIR EXHIBITOR'S HANDBOOK

The Exhibitor's Handbook is the official operational standard of the Southwest Washington Fair and can be found on our website at: <http://southwestwashingtonfair.org/exhibits/entries/>. Listed within are: contact information for superintendents, conditions of exhibits, identification of responsible persons, general fair rules and policy, exhibit requirements, listings of awards and prizes, and deadlines.

A QUICK GUIDE FOR FIRST TIME EXHIBITORS

Q: Who can enter exhibits?

A: Anyone may enter exhibits in the Fair. There are no age or residency restrictions. You simply need to physically enter your exhibit(s) on your entry day(s) and pick up exhibit(s) on the release day. Check each department listing in this Handbook for details specific for that department. Please note that some departments are limited due to space and staffing.

Q: How am I assigned an exhibitor number?

A: Once you register in the online registration system, you will be auto-assigned an exhibitor number. It is important you record this information in a safe place. You **never** want to create a secondary registration (thereby receiving a second exhibitor number) since this will impact your ability to accumulate points and qualify for premium payouts.

Q: What does it cost to enter?

A: Entry fees vary by department; see complete listing of **ENTRY FEES** listed on the previous page or within each department's section of this Handbook. Check each department listing for entry times. Fees are paid at the time of online entry using the Southwest Washington Fair online registration system (<http://southwestwashingtonfair.org/exhibits/entries/4-h-entries/>).

Q: Can I enter exhibits in more than one department?

A: An individual item can only be entered in one department and most departments limit the number of entries from any one individual. Individuals are not, however, limited to the number of departments in which they may submit entries.

Q: How far in advance must I enter an exhibit?

A: Deadlines vary for individual departments. Although livestock deadlines are throughout the summer, most non-livestock exhibit deadlines are one to seven days before the start of the Fair. Refer to individual department listings.

Q: What types of prizes/awards can I win?

A: The types of awards/prizes vary by department. Although some departments give nominal cash premiums and trophies, all departments award ribbons.

Q: How are the exhibits judged?

A: Exhibits are judged on their appearance, quality, color, and all other attributes normally associated with this type of exhibit. The judging is done by experienced judges, who are specialized in that particular field.

Q: Whom do I call if I have questions?

A: Most department listings include the name and telephone number of the Superintendent involved in that department. They would be happy to answer your questions. If you are unable to reach them, call the Southwest Washington Fair Office at 360-740-1495.

Q: What do I do when I bring my exhibit to the fairgrounds?

A: All exhibits should be taken to the appropriate building; at that point you will receive help from the "Department Superintendent". All buildings will be visibly marked. Prior to entry day, complete your entries using the Southwest Washington Fair online registration system (<http://southwestwashingtonfair.org/exhibits/entries/>). Please bring a copy of your confirmation e-mail with you on entry day.

Q: I would like to volunteer at the Fair, who do I contact?

A: It takes hundreds of volunteers to put on a Fair every year! Whether you have a specific area of interest or just want to help out any way that you can, call the Southwest Washington Fair Office at 360-740-1495. We will be delighted to match you with one of the areas in which we need help.

GENERAL RULES

The Southwest Washington Fair is "the official county and district fair and agricultural fair" (RCW 36.90.040). It is the objective of the Fair to provide quality competition, and a diversified program. The Southwest Washington Fair encourages participation of competitive exhibits; however, when limitations of space, facilities, and time occur, priorities will be set according to: 1. Area residency, 2. Previous participation, 3. Quality and diversity of exhibit. The management reserves the final and absolute right to alter, interpret, or change the rules and regulations as may become necessary; also to determine all matters, questions, and differences that may arise in or out of an incident at the Fair without notification to the public. Management also reserves the right to remove any exhibitor not complying with Fair rules and policy. Exhibitors must follow direction from their Superintendent and Fair Management. NOTE: If you need special assistance with entering your projects please call the Fair Office at 360-740-1495.

CAMPING

Southwest Washington Fair has three campgrounds available for camping: **Bridle Acres**, located at the west side of the fairgrounds along the railroad tracks, **Fair Meadows**, located at the north end of the fairgrounds behind the Horse Arena, and **Oak Grove**, which is at the south end of the fairgrounds. These are the only three locations where overnight camping is allowed. Reservations can be made by using the online booking system Rover Pass. <https://southwestwashingtonfair.org/general-info/camping/>

NOTE: If you need special assistance with entering at the Fair or have questions regarding our facility, please call the Fair Office at 360-740-1495.

LIVESTOCK EXHIBITORS

Show rules and operations are established by each department. Fair management reminds animal exhibitors good showmanship includes public education, cooperation, and herdsmanship. The Fair's minimum health requirements are the same as the recommended minimum health requirements by the State Veterinarian. The Fair Veterinarian will have the final say on the animal's health, ability to be shown, and fairgrounds livestock health requirements. **NOTE: As of 2018, the Department of Agriculture no longer issues fairs a blanket permit for out-of-state exhibitor's use. As an out-of-state exhibitor, you or your veterinarian need to contact the Department of Agriculture for any permit number used on the certificate of veterinary inspections.** Per Department of Agriculture call 360-902-1878 M-F 8-5, after hours and weekends call 1-800-942-1035 or go to their web page at <http://fortress.agr.gov/apps/EntryPermits/>

- A. Identification of animals, breeds, farm, etc. is good for all.
- B. Cooperation with other exhibitors and superintendent.
- C. Good herdsmanship creates a pleasant, safe area to view. Public hours are 10 AM to 10 PM Tuesday through Thursday, 10 AM to 11 PM Friday & Saturday, and 10 AM to 7 PM Sunday.
- D. Honesty and fairness are a part of showmanship. Misrepresentation of ownership, animals, or other acts to discredit or give an advantage may result in forfeiture of entry fees, prizes, and premiums or expulsion from the Southwest Washington Fair.
- E. Because of crowded conditions and public viewing of animals, only animals being shown are allowed on the fairgrounds.
- F. The use of alcohol on the Fairgrounds is prohibited. Its use may result in forfeiture of all premiums and future exhibitor status.
- G. No dogs allowed in the barns.
- H. Entry deadlines will be strictly adhered to. No late entries will be accepted.
- I. No selling of animals allowed during the Fair unless prior arrangements have been made, i.e. commercial space. **NO "FOR SALE" signs** allowed on pens, stalls, or coops, etc.

PREMIUMS

The Southwest Washington Fair utilizes a premium point system for Open Class, 4-H, and FFA. The amount listed after the prizes are the points awarded to that ribbon; some departments pay straight premium dollar amounts based on results. The total premium points are divided into the premium dollars available to determine the pay-out per point. Over the past 10 years, pay-out has been between \$0.09 and \$0.27 per point. Premium checks will not be issued for premium winnings that are \$2.00 or less. Checks are mailed to the address supplied via the online registration system.

NOTE: CHECKS MUST BE CASHED PRIOR TO NOV. 30, 2025. Uncashed premium checks will be considered a donation to the Fair as of December 1st of the year awarded.

JUDGING CONTEST, HERDSMANSHIP, FITTING AND SHOWING

These classes are required for all 4-H sheep exhibitors. Grooming of the project animal and herdsmanhip MUST be performed by the 4-H exhibitor; this includes clipping and washing the animal, if necessary. In cases where 4-H exhibitors are too young and / or physically unable to do their own clipping, only bon-a-fide 4-H members may provide the needed assistance. Violations of this rule create loss of

the learning experience to the exhibitor and unfair competition to other members, particularly in the fitting and showing contest, and are cause for disqualification of entry. Exhibitors only allowed in pens, or 4-H leader, if necessary.

Awards will be based on the basis of:

- Preparation of animal shown
- Showing the animal
- Appearance of exhibitor: appropriate dress is recommended. Including collared shirt, shirts without any logos, clean jeans or slacks. Proper sturdy shoes, no sandals, tennis shoes, or rubber boots in the show ring. Shirts must be tucked in. If exhibitor does not follow the dress code, they will not be allowed to participate in the Fitting & Showing contest and therefore will forfeit their premiums.
