2025 SOUTHWEST WASHINGTON FAIR EXHIBITOR'S HANDBOOK

The Exhibitor's Handbook is the official operational standard of the Southwest Washington Fair and can be found on our website at: <http://southwestwashingtonfair.org/exhibits/entries/>. Listed within are: contact information for superintendents, conditions of exhibits, identification of responsible persons, general fair rules and policy, exhibit requirements, listings of awards and prizes, and deadlines.

A QUICK GUIDE FOR FIRST TIME EXHIBITORS

Q: Who can enter exhibits?

A: Anyone may enter exhibits in the fair. There are no age or residency restrictions. You simply need to physically enter your exhibit(s) on your entry day(s) and pick up exhibit(s) on the release day. Check each department listing in this Handbook for details specific for that department. Please note that some departments are limited due to space and staffing.

Q: How am I assigned an exhibitor number?

A: Once you register in the online registration system, you will be auto-assigned an exhibitor number. It is important you record this information in a safe place. You **never** want to create a secondary registration (thereby receiving a second exhibitor number) since this will impact your ability to accumulate points and qualify for premium payouts.

Q: What does it cost to enter?

A: Entry fees vary by department; see complete listing of **ENTRY FEES** listed on the previous page or within each department's section of this Handbook. Check each department listing for entry times. Fees are paid at the time of online entry using the Southwest Washington Fair online registration system (<http://southwestwashingtonfair.org/exhibits/entries/4-h-entries/>).

Q: Can I enter exhibits in more than one department?

A: An individual item can only be entered in one department and most departments limit the number of entries from any one individual. Individuals are not, however, limited to the number of departments in which they may submit entries.

Q: How far in advance must I enter an exhibit?

A: Deadlines vary for individual departments. Although livestock deadlines are throughout the summer, most non-livestock exhibit deadlines are one to seven days before the start of the fair. Refer to individual department listings.

Q: What types of prizes/awards can I win?

A: The types of awards/prizes vary by department. Although some departments give nominal cash premiums and trophies, all departments award ribbons.

Q: How are the exhibits judged?

A: Exhibits are judged on their appearance, quality, color, and all other attributes normally associated with this type of exhibit. The judging is done by experienced judges, who are specialized in that particular field.

Q: Whom do I call if I have questions?

A: Most department listings include the name and telephone number of the Superintendent involved in that department. They would be happy to answer your questions. If you are unable to reach them, call the Southwest Washington Fair Office at 360-740-1495.

Q: What do I do when I bring my exhibit to the fairgrounds?

A: All exhibits should be taken to the appropriate building; at that point you will receive help from the "Department Superintendent". All buildings will be visibly marked. Prior to entry day, complete your entries using the Southwest Washington Fair online registration system (<http://southwestwashingtonfair.org/exhibits/entries/>). Please bring a copy of your confirmation e-mail with you on entry day.

Q: I would like to volunteer at the fair, who do I contact?

A: It takes hundreds of volunteers to put on a fair every year! Whether you have a specific area of interest or just want to help out any way that you can, call the Southwest Washington Fair Office at 360-740-1495. We will be delighted to match you with one of the areas in which we need help.

GENERAL RULES

The Southwest Washington Fair is “the official county and district fair and agricultural fair” (RCW 36.90.040). It is the objective of the Fair to provide quality competition, and a diversified program. The Southwest Washington Fair encourages participation of competitive exhibits; however, when limitations of space, facilities, and time occur, priorities will be set according to: 1. Area residency, 2. Previous participation, 3. Quality and diversity of exhibit. The management reserves the final and absolute right to alter, interpret, or change the rules and regulations as may become necessary; also to determine all matters, questions, and differences that may arise in or out of an incident at the Fair without notification to the public. Management also reserves the right to remove any exhibitor not complying with Fair rules and policy. Exhibitors must follow direction from their Superintendent and Fair Management. NOTE: If you need special assistance with entering your projects please call the Fair Office at 360-740-1495.

CAMPING

Southwest Washington Fair has three campgrounds available for camping: **Bridle Acres**, located at the west side of the fairgrounds along the railroad tracks, **Fair Meadows**, located at the north end of the fairgrounds behind the Horse Arena, and **Oak Grove**, which is at the south end of the fairgrounds. These are the only three locations where overnight camping is allowed. Reservations can be made by using the online booking system Rover Pass. <https://southwestwashingtonfair.org/general-info/camping/>

NOTE: If you need special assistance with entering at the Fair or have questions regarding our facility, please call the Fair Office at 360-740-1495.

LIVESTOCK EXHIBITORS

Show rules and operations are established by each department. Fair management reminds animal exhibitors good showmanship includes public education, cooperation, and herdsmanship. The Fair’s minimum health requirements are the same as the recommended minimum health requirements by the State Veterinarian. The Fair Veterinarian will have the final say on the animal’s health, ability to be shown, and fairgrounds livestock health requirements. **NOTE: As of 2018, the Department of Agriculture no longer issues fairs a blanket permit for out-of-state exhibitor’s use. As an out-of-state exhibitor, you or your veterinarian need to contact the Department of Agriculture for any permit number used on the certificate of veterinary inspections.** Per Department of Agriculture call 360-902-1878 M-F 8-5, after hours and weekends call 1-800-942-1035 or go to their web page at <http://fortress.agr.gov/apps/EntryPermits/>

The purpose of the Southwest Washington Junior Livestock Sale is to provide an incentive for youth to exhibit and sell quality market stock which has reached marketable weight and grade. The exhibitor and the bidder and/or buyers are reminded that the price paid to the exhibitor may not, in fact, reflect a true market price at the time of the sale. It is the sponsor's desire that the buyers of animals featured in this sale will bid sufficiently to cover the individual exhibitors' additional expenses incurred in feeding and management of market animals. Animals sold at auction are suitable for slaughter at the time of the sale.
