Ride Descriptions Below:

ATLANTIS

Let your little ones experience life under the sea in the Atlantis, a walkthrough ride for children. Complete with cargo nets, swinging bags, various obstacles, and a big spiral slide finish!

AREA 51

Blast off into a gravity-defying adventure on the Area 51 ride! Step aboard a high-speed 'spacecraft' and prepare for liftoff as you're pressed against the walls by powerful centrifugal force. As the ship spins faster and faster, you'll feel like you're floating in zero gravity — it's an electrifying experience that's out of this world!

DROP TOWER

Unlike any other ride on our midway, the Drop Tower brings a new dimension of thrill to carnival-goers. 12 passengers are loaded into each circular passenger station. Over-the-shoulder harnesses secure patrons while they are gently lifted up the 90-foot tower. Once the passenger station reaches the top, it is released in an accelerated freefall and riders experience G-Forces in excess of 3 1/2 times normal. Riders are then cushioned by a magnetic braking system that stops the station before it reaches the base of the tower.

EXPO WHEEL

The Expo Wheel reigns supreme over the Midway, offering an unforgettable experience for visitors of all ages. Standing over 50 feet tall, this iconic ride provides a sweeping panoramic view of the carnival, making it the perfect way to take in the sights and sounds of the fair from high above!

FREAK OUT

Towering at 70 feet, the Freak Out seats 16 persons and takes them on a thrilling journey into the sky! Passengers are secured by over-the-shoulder harnesses as they dangle in expectation. Once the ride begins, the seats slowly rotate as the entire boom arm begins to swing horizontally. Passengers swing over the midway directly overhead of those watching from the front of the ride. The ride climax is reached as the main boom arm reaches a height of over 40 feet in the air while the passenger seats rotate.

GO GATOR COASTER

Climb aboard the Go Gator, where an alligator leads the way through a smooth and enchanting ride experience. Designed with families in mind, this ride offers gentle thrills as it glides over an oval track, making it perfect for both children and parents to enjoy together.

GOLD STRIKE

Strike it rich with Gold Strike! This family-friendly funhouse takes you on a wild adventure through twists, turns, and dips as you race down mines like a true gold prospector. Come back to the surface through the spinning funhouse tunnel. It's a rush of fun for kids and adults alike—no pickaxe required!

HAPPY SWING

Get ready to soar on the Happy Swing, a whimsical adventure perfect for young thrill-seekers! This brightly colored swing ride lifts riders gently into the air before revolving gently backwards in a smooth, motion—simulating a gentle rock on a front porch swing.

LOONEY TOOTER TRAIN

Climb into one of the brightly colored cartoon-style cars and get ready for a delightful journey around a cheerful circular track. As the train chugs along, merry music fills the air, and vibrant scenery whirls by, creating a magical atmosphere that captivates riders of all ages. Designed with families in mind, the Looney Train offers a gentle ride perfect for young adventurers and their parents. Whether it's your child's first carnival ride or a nostalgic trip down memory lane, this charming train promises smiles from start to finish.

MONKEY MAZE

This two-story jungle-themed funhouse invites families on a wild safari filled with playful obstacles, tricky paths, and loads of laughs. Navigate your way through the untamed jungle fun — and cap it all off with a whoosh down the final slide! It's a wild ride from start to finish.

MONSTER TRUCKS

Rev up the excitement on the *Monster Trucks*! These mini-monster trucks let kids feel like they're behind the wheel as they cruise around the track. Parents can even hop in the back to join the adventure! It's a beloved classic that lets the whole family enjoy some monster-sized fun.

PUPPY ROLL

Hop aboard the **Puppy Roll**, where four adorable puppies greet children and parents for a delightful, smooth ride! Each passenger controls the fun by turning a **giant steering wheel** inside the puppy's belly, spinning themselves around while the entire ride gently revolves. This charming ride is the perfect introduction for young ride enthusiasts before they take on more exciting adventures like the Tilt-A-Whirl. **Get ready for a tail-wagging good time!**

ROCK STAR

Our Rockin' themed ride will light up the midway to the delight of fairgoers. The Rock Star is a platform ride with two-tiered stadium-style seating. The ride moves up and over in a circular fashion, having riders rock on in a full-fledged cyclical motion!

SCRAMBLER

Hold on tight for a whirlwind of fun on the Scrambler! This family favorite sends riders spinning in two wild directions at once — with 12 roomy seats that each fit up to three people, it's perfect for sharing the thrill. As the main frame twirls and each seat arm spins on its own, you'll feel like you're soaring through a whirlwind of laughter and motion. It's a delightfully dizzy ride that's anything but ordinary!

SLIDE

The Slide stands 35 feet tall. Riders climb stairs to the top of the slide, then are seated on burlap bags before descending down the slide, sailing up and over undulating hills.

SKY FLYER

The Sky Flyer provides its riders with the thrill of hang gliding! This ride has ten passenger carriers which can accommodate three adults or children.

TULSA

The Tulsa offers a fun, gentle ride experience perfect for young children. The motion is smooth and controlled, offering just the right amount of excitement without being too intense for little ones. Riders can enjoy the sensation of driving a corvette in a slow circle under a shaded umbrella.

VERTIGO

The Vertigo, manufactured by ARM, towers a full 100 feet in the air and seats 24 passengers. Each seat holds two riders who are secured by a lap restraint. Once the ride begins, the entire center twists in a circular motion. Riders enjoy a swinging sensation as the entire center track lifts up slowly until reaching the top of the ride. Once the swing ride reaches the top it begins to slowly swing in a descent.

VIPER

The Viper is a colossal, adrenaline-pumping ride with a striking green snake theme that promises an exhilarating experience! As the ride begins, the massive arm extends across the top of the ride, tilting and spinning in wild, unpredictable motions. At each end of the arm, two clusters of two-part seating spin independently, adding an extra layer of thrill as passengers feel the full force of the twisting action. The open-air design provides breathtaking, dizzying views as riders soar and twist high above. With a seating capacity for 24 passengers, the Viper uses state-of-the-art shoulder bars to keep everyone secure as they embark on this thrilling whirlwind journey. Perfect for those seeking an intense carnival experience, the Viper delivers a ride unlike any other!

WIND SURFER

Get ready to catch some air on the Wind Surfer! This high-flying thrill ride lets you control your own flight as you soar through the sky. Riders board colorful sail-shaped gondolas that lift and spin in a circular motion high above the midway. But here's the twist—you control the wings! Shift and tilt them to make your sail dip, glide, or spin as much (or as little) as you want. Whether you're chasing a breezy glide or a wild whirlwind, the Wind Surfer offers fun for all adventure levels. It's a crowd favorite for daring kids, teens, and adults alike!

WIND GLIDER

Take flight on this thrilling family ride! Riders lay flat while soaring through the sky for an unforgettable experience that keeps kids and parents coming back for more!

ZERO GRAVITY

Take your thrill to new heights on Zero Gravity! Riders are pressed against the carriage as it tilts to an 80° angle, all while flashing LED lights and thumping music create a breathtaking, high- energy experience.
